

New Frontiers: Arts in dementia care

**Arts in Care Foundation
(Stichting Kunst in de Zorg)**

&

Zona's Kiosk:

www.zonaskiosk.nl

info@zonaskiosk.nl

Zona's Kiosk's artists and those who worked in the innovative project SNOES, which experimented with art with people with advanced dementia in closed wards of care facilities, will share experiences, challenges encountered and co-creative outcomes. They will discuss the implications for the delineation and significance of this field.

Zona's Kiosk

Out of the box, unconventional ,interactive artforms

Together we make art

The inspiration in the moment

Cocreation

Different forms of theater

The masters of dance improvisation!
